* The official supervisor of doctoral fellows (Dr. rer. nat.) is a professor in the Faculty of Natural Sciences. At the end, this professor writes the first scientific opinion on the dissertation.

Mentoring Committee

The mentoring committee consists of 3 working group leaders (of which at least one is habilitated) whereby at least one member of the mentoring committee is to belong to another chair. The members of the mentoring committee are appointed independently of the direct and official supervisor of the doctoral thesis. If the direct or official supervisor wants to act as a mentor, this is of course possible.
